Ordering Instructions:

1. Fill in both form pages completely.
2. Make two copies for each plasmid ordered.
3. Keep one copy for your files.
4. Send signed copy, with your DNA sample to:

Nature Technology Corporation

4701 Innovation Drive
 Lincoln Nebraska, 68521
 Phone: (402) 323-6289
 Fax: (402) 323-6292

5. To order multiple plasmids, fill out page 2 of 2 form
Please send 1mcg plasmid DNA samples on spot filter paper such as: Whatman 3MM, or FTE, labeled and wrapped in cellophane or Ziplok bags to prevent contamination.

Plasmid Name (1)	Low Copy*	Quantity	Concentration (0.5mg/ml is standard)	Price	Quote number
		mg	mg/ml	Get Quote	

***Additional charges apply to low copy plasmids.**

0.5 mg/ml in TE buffer is standard

Antibiotic Resistance Marker:

Replication Origin

Brief Description

Validation: Restriction Enzyme 1
Restriction Enzyme 2

Expected Fragment Size:
Expected Fragment Size:

I certify that the plasmid(s) each contain(s) less than 2/3 of a viral genome and no toxic gene(s).
